(IN CHAMBERS) Order GRANTING Motion to Terminate Supervised Release
Proceedings: (3/11/08, #62)

Before the Court is the motion by defendant Michael Louis Jackson for early termination of his period of supervised release. Given Jackson's success after six years of supervised release and the support of the motion by the government and probation office, the Court finds good cause for early termination of supervised release.

The motion is GRANTED. Supervised release is terminated.

IT IS SO ORDERED.
